

PRESENTATION OF THE “MONDINO TRACK” APPLIED PRACTICAL CLINICAL ACTIVITY PROGRAM (→TPV)

5 March 2026

These slides will be
available on the PNH
website.

TOTAL HOURS: 500
(20 CFU * 25h)

WHEN STARTING THE TPV?

TPV external activities must start **MANDATORILY** at the beginning of the SECOND year of the master degree program (i.e. October)

3 OPTIONS

500-hour internship at an external institution (20 credits)

350-hour internship at an external institution (14 credits) + attend **6 Field Labs** (6 credits)

350-hour equivalent internship by attending the “Mondino track” at the Unit of Applied Psychology under the Mondino Foundation (14 credits) + attend **6 Field Labs** (6 credits).

The external institution should be in Italy or abroad and autonomously identified by the student coherently with the legislative rules (i.e. the presence of a psychologist as a tutor). The person responsible for managing the internship agreement process with hosting entities is Sara Longo (sara.longo@unipv.it)

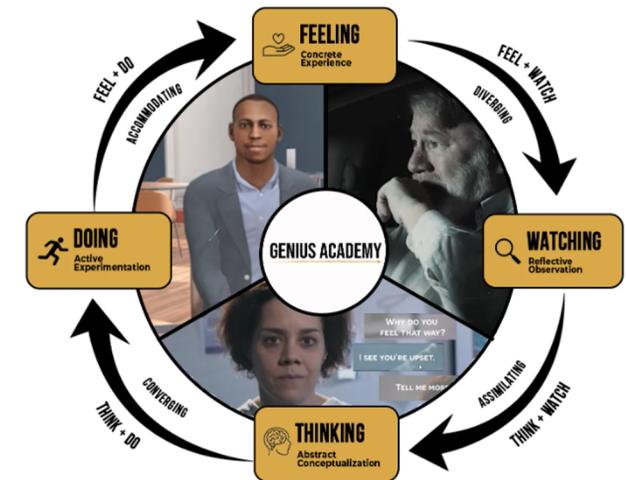

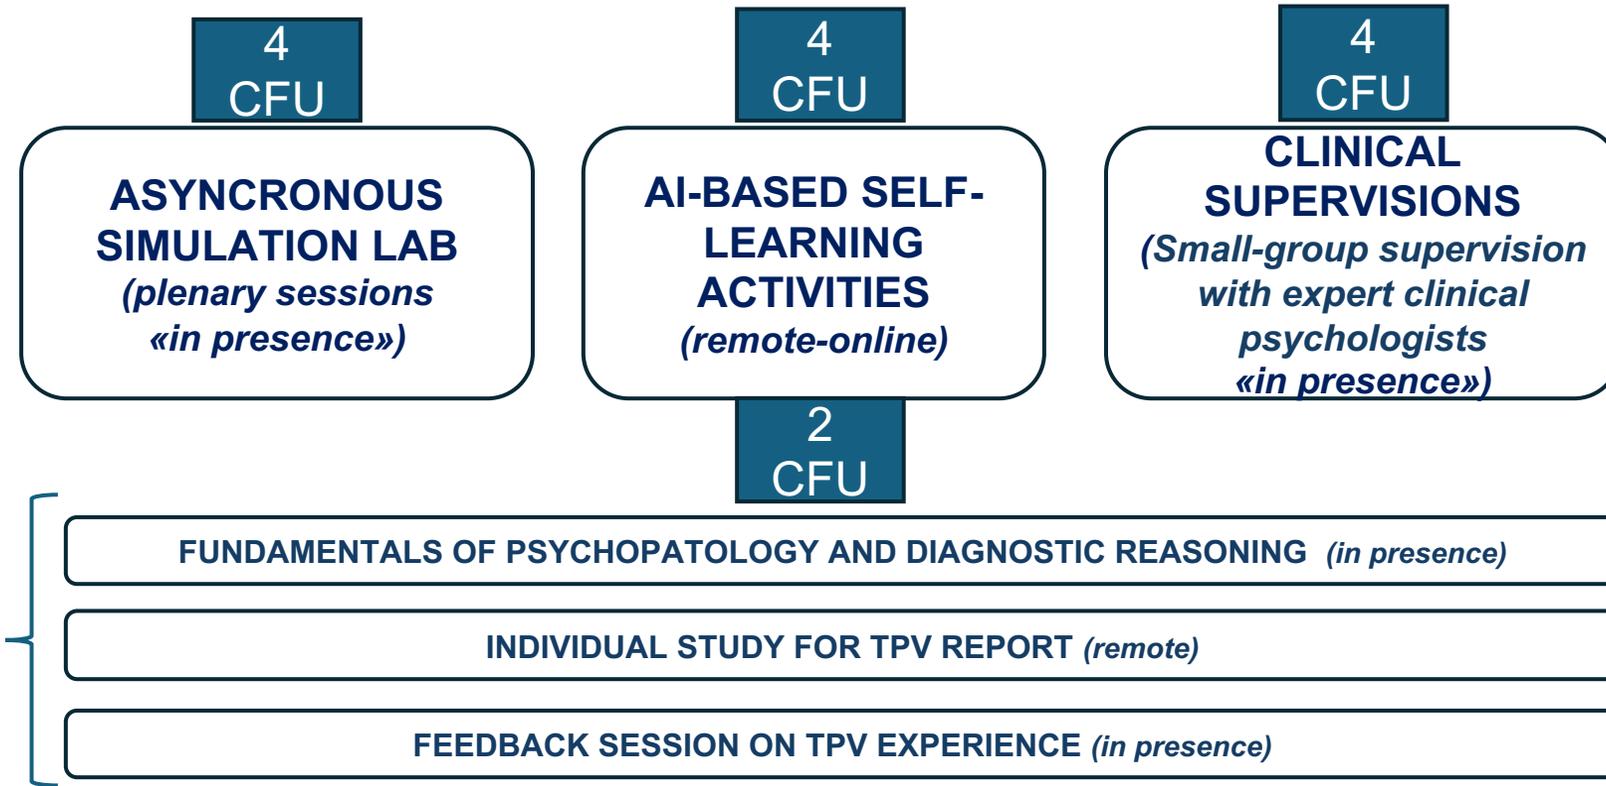

OPTIONAL OPPORTUNITY PROPOSED WITHIN THE EDUCATIONAL OFFER FOR THE **EXTERNAL TPV: THE «MONDINO TRACK» - CLINICAL PSYCHOLOGY CBT AND AI-BASED INTERNSHIP**

KEY FEATURES

- 6-week clinical psychology experience (starting from middle September 14th to October 30th, 2026)
- 14 CFU
- Learning by doing activities with innovative simulation technologies (partnership with Genius Academy (<https://www.experiencegeniusacademy.com/>))
- Compliance with accreditation standards set by APA
- Supervisions led by clinical psychologist experts

The program follows **international clinical psychology training standards (APA guidelines)**.
